Parent Contract for Use of Cell Phones and Other Electronic Devices

I have read the policy of my child's school on cell phones and other electronic devices, the Discipline Code, and the Bill of Student Rights and Responsibilities, and understand the behavior that is required of my child.

I agree to help my child follow these policies by:

- discussing with my child the contents of the school's cell phone and electronics policy, the Discipline Code and the Bill of Student Rights and Responsibilities;
- encouraging my child to be a respectful and peaceful member of the school community, and to never use an electronic device to engage in harassment, bullying or intimidation, or to take photos or post pictures of others without staff authorization;
- reminding my child that cell phones and electronic devices may not be used during school fire drills or other emergency preparedness exercises;
- reminding my child about the importance of academic honesty and never using an electronic device to engage in cheating or to help others cheat;
- calling the school if I need to contact my child during the school day and not trying to reach my child on his/her electronic device during the school day;
- teaching my child to be responsible and safe about his/her electronic devices both in school and while traveling to and from school, to not display the devices or carry them in a manner that attracts attention, to always travel using safe, familiar streets with good lighting, and to refrain from using shortcuts through isolated areas;
- reminding my child that having a cell phone or electronic device in school is a privilege, and that the privilege may be revoked, or electronic devices may be confiscated by the school if they are used in violation of the school's policy or the Discipline Code;
- reminding my child that the school is not responsible or liable if his/her device is lost, damaged or stolen, that it is my child's responsibility to take proper care of his/her device, and that devices may not be charged at school.
